

Solar Raisers Marketing and Outreach Coordinator

Arlingtonians for a Clean Environment (ACE) is seeking an intern for the summer of 2012 to serve as the marketing and outreach coordinator for our Solar Raisers project which makes solar hot water systems affordable for local homeowners.

Responsibilities:

Internship Period: This internship is 35 hours per week and lasts ten weeks from June 11 through August 17, 2012. There is some flexibility in the start and end dates.

Stipend: \$3,437.50 for the ten-week period.

Background

Required qualifications: The applicant must be a currently enrolled full-time undergraduate who will have completed the freshman year by June 2012 and will be returning to college full-time in the fall of 2012. In addition, we are looking for applicants with:

- Strong writing skills.
- Excellent computer skills.
- Experience developing marketing materials.
- Ability to conduct multiple tasks.
- Availability to work on weekends and evenings (one to two days a month).
- Interest in environmental issues.

Desired qualifications:

- Interest and/or experience with community nonprofits.
- Currently pursuing a degree in marketing.

Relatives of employees of Arlingtonians for a Clean Environment, ExxonMobil, and Volunteer Fairfax are not eligible to apply.

To apply, e-mail a cover letter and resume to Elenor Hodges with Arlingtonians for a Clean Environment at office@arlingtonenvironment.org. Applications are due by April 1, 2012. More information: www.arlingtonenvironment.org or 703-228-6427.

**Thanks to the ExxonMobil Community Summer Jobs Program and Volunteer Fairfax
for making this internship possible.**
